## EXPERIENCE

*Others Professional Experience*

### Illustrator and Designer

*2 Years and... (08/2020 - At the moment)*

- I worked in the design of sketches and final artwork of illustrations for various purposes such as tattoos, fanarts and concept arts.
- In addition, I also worked in the creation of graphic pieces such as banners for social networks, business cards and logos.
- I use open source tools GIMP, Krita and Inkscape, as well as the main ones on the market such as Adobe Photoshop, Illustrator and Corel Draw.

### Concentrix

*1 Year and 8 Months (12/2018 - 08/2020)*

- I helped clients with questions about their invoices, usage of the app and other situations related to the services of the most influential Brazilian digital bank.
- And also reissued the cards in case of fraud or loss by the carrier that delivered them;
- Google sheets, getguru.com, and company CRM were my daily tools;

### Teleperformance

*3 Years and 3 Months (08/2014 - 11/2017)*

- I worked in the resolution and escalation of problems related to website hosting, emails, domain DNS zone and other digital marketing services.
- Customer contact via phone, chat and email. I got a promotion and was part of the founding team of a cell called "Boas-Vindas" where we served new customers who had problems with newly acquired services.
